

Holiday Gift Ideas

With so many toys on the market, it can be tough for parents to choose the best gift for their child.

The situation becomes even more difficult for parents of children with special needs.

Start your buying decisions by asking yourself two questions...

What activities does my child enjoy?

Activity Centers (page 2)

Family Games (page 3)

Listening to Music (page 4)

Playing Musical Instruments (page 5)

Animated Plush Toys (page 6)

Transportation (page 6)

Teen Interest (page 7)

Gifts Under \$50 (page 8)

What can my child physically do?

All Enabling Devices toys in this guide have been specially manufactured or adapted to allow children of all abilities to participate in play. Our toys are designed in one of three ways:

•Switch Adapted (Requires a Switch)

•Direct Activation requiring the child to reach and press the toy with minimal amount of pressure

•Both Switch Adapted and Direct Activation
