Use on wall or table!

Five colorful, textured rollers provide great tactile stimulation. The panel will increase eye-hand coordination, improve motor skills and encourage movement. Mirrors behind each roller enhance the visual experience. Panel can be wall mounted, used on a tabletop or placed on the floor. Size: 19"L x 4"W x 31"H. Weight: 7½ lbs.

Operation:

- The Textured Roller Panel can be wall mounted, **Please Note:** mounting hardware is not included, or used on a table or floor.

Mounting Options:

Textured Roller Panel has 4 mounting holes for wall mounting.

Please Note: Mounting hardware is not included. You can use standard wall anchoring hardware found at hardware stores and Home Improvement Centers. Please consult one of their hardware associates for the proper mounting hardware based on your wall construction.

Care of Unit:

Textured Roller Panel can be wiped clean with any mild household multi-purpose, non-abrasive cleaner and disinfectant. We recommend Simple Green, which is a non toxic biodegradable all-purpose cleaner.

Do not use abrasive cleaners, as they will scratch the surface of the unit.
